

The Garrett County Health Department offers a free breast and cervical cancer screening program to eligible Garrett County women.

Through this program, you will receive:

- ♦ *Free clinical breast exam*
- ♦ *Free mammogram*
- ♦ *Information about breast care*
- ♦ *Information on breast and cervical cancer detection*

You qualify if:

- ♦ *You are a woman 40 years or older*
 - ♦ *You are a Garrett County resident*
 - ♦ *You do not have health insurance*
- or*
- ♦ *Your health insurance deductible has not been met*
 - ♦ *You meet the income guidelines*

The exams and Pap Test can be done by participating physicians in

- ⇒ **Garrett County**
- ⇒ **Allegheny County**
- ⇒ **West Virginia**
- ⇒ **Pennsylvania**

Mammograms can be done at

- ⇒ **Garrett County Memorial Hospital**
- ⇒ **Western Maryland Health Systems Diagnostic Center**
- ⇒ **Meyersdale Hospital**
- ⇒ **The Imaging Center**

Get a pap test

&

mammogram!

*Breast cancer is most easily
treated and cured when it is
found early.*

*Cervical cancer can be
prevented by detecting
abnormal cells early.*
