

**Title 07 DEPARTMENT OF HUMAN
RESOURCES**

Subtitle 04 Child Care ADMINISTRATION

Chapter 01 Family Day Care

.29 Admission to Care.

A. The provider may not admit a child to the home for child care or allow a child to remain in care until the provider has received:

(1) An emergency form for the child as required in Regulation .38 of this chapter;

(2) A written report of a health inventory of the child on a form supplied or approved by the Office; and

(3) Evidence, on a form supplied or approved by the Office, that the child has had immunizations appropriate for the child's age.

B. If a child younger than 6 years old was admitted to the home on or after May 8, 1997, the provider may not allow the child to remain in care at the home if the parent does not, within 30 days after the child's admission, submit evidence to the provider on a form supplied or approved by the Office that the child has received an appropriate lead screening.

C. Effective September 1, 1999, a family day care provider who also provides treatment foster care in the home may not admit a child for treatment foster care in the home unless the child is being placed in the home in a preadoptive capacity.
